**Subject:** RE: question about RAB meeting on April 20th

Carol,

Neither Dan Evans, John Swartwout, Henry or I attended the April 20<sup>th</sup> RAB meeting. An executive decision was made that Bob Schick and Jim Harrington went on behalf of the NYSDEC. That being said, I didn't hear of anything new brought up other than the usual status of the ongoing projects the Navy is undertaking.

Thanks,  
Steve

Good afternoon Henry and Steve. I'm preparing a brief weekly update regarding Navy Northrop Grumman/Bethpage. Is there anything to write about regarding the Navy's RAB meeting on April 20<sup>th</sup>. Was there a large attendance? I would have included the update with last week's highlights but I didn't have the information at that time.

Thanks,  
Carol
